

Leftovers with Any Number

P

You Need: One die
Color Tiles
One cup to hold the tiles
Six paper plates or 3-inch paper squares ("plates")

1. Choose how many tiles you want to start with.
2. Play a game of Leftovers.
3. When you finish the game, look at each of your sentences with a remainder of zero (RO). Write on the class chart each sentence with RO that isn't already posted.
